Why choose Koolair?

Comfort is not incompatible with aesthetics. Choosing integrated ventilation in the design of a project is becoming more and more common. Koolair helps you find the best solution tailored to your aesthetic needs.

Main buildings:

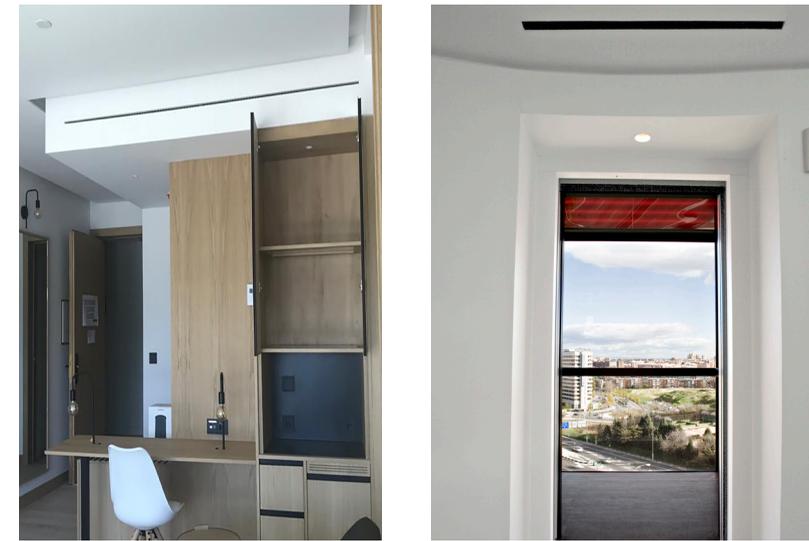

-  Hotels
-  Clean rooms
-  Retail
-  Offices
-  Sports centres
-  Housing

Air tailored to your needs

Curved diffusers are proof that at Koolair there are no limits: if you can imagine it, we can manufacture it. Let your imagination run wild, we'll bring it to life.

Design transformed into comfort

DF-47-NARROW-LT is a concealed long-throw diffuser with a clean refined aesthetic that blends seamlessly into the design.
